Legend

- 1 - Runway, at least 60 meters wide, taxiways, about 20 meters wide, turning area, about 120 meters in diameter.
- 2 - Old macadam aprons, constructed by the Germans.
- 3 - Camp, 250x300 meters, surrounded by a wall of earth, 1.5 meter high, with barbed wire on top. A high lookout post in each corner, two diagonal posts occupied by sentries. Within the wall, there were four temporary wooden buildings, covered with tar-paper, each about 6 to 8x30 to 35 meters. They probably serve as quarters, and earthworks of different sizes, similar to potato stacks. Tank trucks entered the camp on several days in the beginning of January.
- 4 - Two observation posts, one of them occupied by three sentries, the other one occupied by four sentries.
- 5 - Farmhouses surrounded by shrubby land.
- 6 - Construction shed of Bauunion-Wast Firm, being dismantled.
- 7 - Villa, occupied by Soviet Air Force.
